Patch Information!

We are holding a contest to design the event patch, and each troop is encouraged to create a patch to be passed out at Golden Skate. We encourage you to base your creations off the event theme, Go Green for St. Patty's Day. Your entries can include anything from leprechauns to reduce, reuse, and recycle, and everything in between. The patch entries are due by January 8th, 2010, please send them to Laura Gambel at 1112, Magnolia lane, Lafayette, CA 94549. Any of the girls in the troop can make one, or you can work in groups, have fun! The requirements are:

- 7 colors max
- Be creative! Use your own designs
- Use the themes to help you design

And remember, go green be green!

Here is a circle size sample for you to use.

Enjoy!
